

NEW ISSUES and INTERNATIONAL GLASSES

Collector Drinking glasses continue to be made, although not in the quantities that were seen in the 1970's and 1980's. Some restaurants, gas stations, theatres and other attractions produce glasses with characters and advertising. Glasses have been made in Canada, Europe and Australia since the 1930's and continue to be made – small mustard glasses and Nutella glasses with Cartoon and movie characters are still popular and many USA collectors look for these glasses. The Scooby Doo glass pictured was created for PGCA members in 2018 by Pop Fun, who makes Movie and Super Hero glasses.
