

## **PEANUT BUTTER GLASSES – BOSCU & others**

**Boscul Peanut Butter brand produced a large number of glass containers for their products, which included many drinking glasses that collectors are looking for. Mainly focused on by collectors on the East Coast, these glasses feature flowers, dogs, fish, butterflies, historical characters and other series. Many other brands put their peanut butter in collectible glasses. Typical sizes are juice, regular milk glass size & large ice tea glasses.**
